with disabled children

ARE YOU A PARENT CARER? OR DO YOU WORK
WITH PARENTS OF YOUNG CHILDREN WITH SEND?

COME ALONG TO OUR FREE ONLINE WORKSHOPS!

Parents & Practitioners working together

Our free online workshop is designed to help parents and professionals work better together so younger children (0-5) have a positive experience as they move from home or childminder to day nursery or pre-school.

The transition from one setting to another doesn't have to be a traumatic experience!

Our accessible and jargon-free courses are on Zoom.
To see our full schedule, including how to book, please see overleaf.

A SMOOTH JOURNEY THROUGH TRANSITION

Parents & Practitioners working together

This workshop will help you understand how you can make this a smooth journey and sets out clear pathways of support for you.

Our workshops aim to help both parent carers and practitioners understand:

- *Why co-production – parents and professionals working together – is needed for a smooth transition*
- *The issues, challenges and frustrations parents face as their child moves from one setting to another*
- *How practitioners can help make it a smooth process*
