

Free Digital Skills programme

- ◆ 10 week training course
- ◆ Full time skills programme
- ◆ Digital skills workshops
- ◆ Employability & Life skills workshops
- ◆ Work experience
- ◆ 6 months post programme support

Caudwell Children are offering a free opportunity for young people with autism to join our 'Digital Skills' ten (10) week programme that is aimed at upskilling and introducing you to the world of work within the digital industry.

- ◆ Ages 18 - 25
- ◆ Autism/ASD
- ◆ West Midlands Postcode (WMCA)

If you think you may have autism, and a social worker, healthcare professional or education professional agrees, and you have never been assessed for autism we may be able to assist, please contact me for further details.
